

The second stage of the abolition of restrictions related to COVID-19 – 4th May 2020

I. Economic activity – open shopping centres and hotels

- **Commercial facilities** with a sales area of over 2000 square metres (21528 ft²) which is shopping centres, large-area stores will be opened.

However, we introduce to limit the number of visitors. There must be 15 square metres (162 ft²) of commercial space per person. What is important, the sales area does not include the area of corridors.

Warning! Fitness clubs and leisure spaces (e.g. children's play areas) cannot operate in shopping centres. Moreover, there cannot be any place where meals are eaten on site.

- **Hotels and accommodation**

Hotel and accommodation services will be able to be provided on the condition that specific security policy will be preserved.

Important! The activity of hotel restaurants and recreational spaces is still limited in hotels and accommodation facilities. Gyms, meeting rooms and swimming pools are closed. However, hotel restaurants cannot serve meals on-site. They can only serve them to the hotel guests' rooms.

*Despite the possibility of booking hotel accommodation, organizing a trip (e.g. to the mountains, by the sea) is very difficult due to the significantly limited number of bus and train connections.

II. Social life

- **Libraries and museums**

We are revoking the ban on libraries, archives, museums and other cultural activities. Cinemas, theatres, operas, concert halls are still closed.

Important! Cultural institutions would be opened gradually at different times. The authority running the institution will decide about the specific date after consultation with the district sanitary-epidemiological station.

III. The most important permanent security principles

- Ban on public gatherings of more than 2 people.
- Keeping a 2-meter distance from others in public spaces.
- Mandatory nose and mouth cover in public areas.
